Createspace, United States, 2014. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. This is a guidebook for our children and grandchildren, to make sure they understand the mess the seniors are leaving them, and what they will need to do about it! They inherit the confusion of a struggle of values. So this is a low-tuition course on What s Important?, from the curriculum of The School of Hard Knocks, from one senior citizen who wants us all to keep thinking about our own values. Values.about religion versus morality, about businesses as financial parents, in a world weakened by the total fiscal irresponsibility of Keynesian economics and central banks, during our nation s misguided escape from the discipline of personal and family responsibility, and with a lost understanding of the vision our libertarian Founding Fathers had of the necessity of protecting the rights of the individual, as we wandered for the last century into the authoritarianism and centralized government of the mistakenly-named progressives. Getting back on track is going to require clearer thinking about values than their parents have had. Some of the many questions addressed in depth by WE RE CRAZY! are: Universal human values ? So who is entitled to what? Own gold? This time Is different? Deficits don t matter? Cholesterol under 200 is OK? Learning Chinese? The End of Empire? The West will soon be only 1/7 of the world s population? 41 of us born out of wedlock? Who is this somebody else who is supposed to pay for everything? Religion versus Morality? A worshipful attitude is not good? What is love ? Multiculturalism? Commanders vs.Teachers ? How to really listen? Can you really help anybody? What good is democracy for poor people? End the Fed? The media get...
