He meets Julie, a German model, at a Durum camping gear casting and cannot rid himself of the thought of her. He spends the following two weeks trying to see her, but to no avail. One day they meet again at another Durum casting, and Oliver struggles to hide his interest. A few days pass and on Monday morning he is called to his modeling agency and his agent informs him that he got the job for Durum. He sends Julie a message and it turns out that she too has gotten the job. The job spans over three days and it takes place in the small town of Villiersdorp, where discreetly, and through the work, he investigates the mercurial behaviour Julie as well as the world around him when he is with her. His only hope is that she loves him as he loves her. As their time rolls on together, her behaviour becomes less confusing, and they begin to develop a relationship, but it is never acknowledged, in fact it is hidden because Julie has a long-term boyfriend. It is only when the shoot is wrapped and now they have to say goodbye to each other when what was hidden is unraveled.
