Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.When you are applying to college or grad school, the essays you write can count up to 60 in admissions decisions and can influence scholarship offers. This book provides real essays to use as samples, and the book contains real essays used by real people to get into law school, business school, Ph.D. programs, colleges including the Ivy League, as well as grad schools of all types. Learn proven techniques used by professional writers in developing essays that give admissions committees what they are looking for. A picture is worth a thousand words and this unique book doesn't just tell how; it shows how to write essays that could help you into the school of your choice. Praise for other books in this series: Distinguished by highly readable samples. - Library Journal Useful for any student population. --Catholic Library World The book shows essays, personal statements, resumes, and letters that are part of the application process for admission and scholarship consideration at colleges and universities. Both the recent high school graduate and the individual applying to professional schools including law, dental, medical, or MBA school will find essays pertinent to their needs. This brilliant and insightful book shows proven techniques that open the door to higher educational opportunities and scholarships. This unique how-to book does not simply tell how to write effective essays and letters; it shows how in page after page of meaty examples. The extensive Table of Contents is a road map to specific essays broken down by type of degree pursued, specific essay questions, and personal goals. The editor maintains a constant dialogue with the reader in tips and background remarks on each page....
