HODDER EDUCATION, United Kingdom, 2007. Paperback. Book Condition: New. 272 x 216 mm. Language: English . Brand New Book. Written by Jennie Lindon, the bestselling Early Years author, *Understanding Children and Young People: Development from 5-18 Years* is refreshingly clear and readable, and makes the links between theory and practice in a very user-friendly way - this is crucial for good practice. It covers every conceivable developmental issue from 5-18 years, providing excellent coverage of the mid-childhood and adolescent years, including topics such as: - Children and young people in society. What is growing up? What transitions do young people face? - Personal and social development. Identity; friendships and family; play and leisure activities; relationships; part-time work; social, cultural, faith allegiances and possible conflicts - Emotional development and patterns of behaviour. Feelings, thoughts, behaviour, brain development, emotional, moral and spiritual development; educational and other transitions; supportive adults - Communication and thinking. Spoken/written language; communication; cognitive development - Physical growth and development. Physical activity; healthy habits; puberty; pregnancy; sexual awareness/orientation; medical issues - Self-reliance and independence. Responsibility and involvement, making life decisions, independence, transitions into higher education, the world of work, issues of unemployment - Vulnerability in childhood and adolescence. Personal safety and assessing risk; peer pressures, bullying, substance abuse, smoking, alcohol, child protection, legal and practical issues, looked-after children *Understanding Children and Young People: Development from 5-18 Years* covers all these key topics through broad developmental themes, making this an informative and valuable resource for students and practitioners involved with children, young people and families at all levels.
